## **Bold Spirit**

by Linda Lawrence Hunt

This is a true story about a mother of eight children in 1896 who is behind on taxes and mortgage when she learns that a mysterious sponsor would pay \$10,000 to a woman who will walk across America as part of a marketing campaign to sell bicycle skirts for the “new woman.” This true story of her walk was silenced by her family for over 100 years.

**In addition to a general discussion of the book, everyone is asked to bring a story about an “adventure” you may have had in your life and a story about any secrets that were kept in your family for generations. OOOH, this could be a juicy meeting!**

**There are 6 copies in the St. Charles County Library and Stephanie has 3 personal copies that she will loan out. Give her a call (561-4016).**
